Discover paint and stain color recommendations from Dutch Boy®

We make it easy to create a beautiful space that fits your style. Choose from one of 80 paint and stain palettes curated by our color experts for a cohesive look you'll love.

Available in one-coat coverage for Platinum® Plus interior paint and Maxbond® Plus exterior paint. Find your coordinated Dutch Boy® color palette at Menards®.

Color samples shown approximate actual colors as closely as possible but may vary from this representation due to differences in screen brightness and calibration. Always test stain color in an inconspicuous spot before staining.
